

Closure of Exam Centre Bern - We are here for you.

The Cambridge English Examinations Bern office is not officially closed.

The Authorised Cambridge English Exams Centre Geneva & Vaud West-Lausanne would like to assure you that we are here to support you and your candidates to sit their Cambridge English qualifications.

We offer all Cambridge English exams at numerous locations in Switzerland.

Please contact us *immediately* so that we can help you re-schedule any cancelled exams, obviously subject to the restrictions imposed by the COVID-19 situation.

These are very difficult times for all but we are doing all we can to maintain continuity and stability. We want learners to be able to prove their skills to the world and gain access to a lifetime of enriching experiences and opportunities.
